MARKETING ACTIVITIES

Marketfed acts as an agent of the State and Central Governments and intervenes in the market to purchase agricultural produce as per prescribed directives and ensure fair prices to farmers in case of price collapse. The procurement of cardamom, black pepper, cloves, copra, cashew etc. has been undertaken by Marketfed on various occasions at the instance of the State and Central Governments development schemes. The primary engagement of MARKETFED is in the distribution of inputs and plant protection chemicals through more than 600 primary societies and service banks. We have continuously showing a good performance in fertilizer distribution over the last five decades.

We have our own spices depot and packing unit at Idukki district of kerala, where we procure the locally grown spices and produces from the farmers at daily market prices prevailing in the newspapers ensuring fair price which is further graded at our depot as and accroding to varied qualities and packed and distributed in wholesale market .

We are now launching and introducing our retail brand - MANYFOOD which comprises of Spices, Edible Oil, Cashews, Sulphur Free Sugar and other locally manufactured products of its member societies .
